PURPOSE	<p>This course attempts to access the basic and necessary knowledge for the realization of a subjective private right ascertained in the civil procedure and the so-called voluntary judiciary, that is, the contentious procedure.</p> <p>Focus:</p> <p>The didactic concept will be such interactive in reviewing the core legal institutes for this subject. This subject is very voluminous and will thus consider the basic aspects of the execution and non-contentious procedure, and more in the theoretical aspect. Several cases will be offered to deal with some of the central legal institutes of the contentious and execution procedures.</p>
