PURPOSE	<p>The case "Civil procedural law" relates mainly to the contested procedural law and the initiation, development and completion of the contested procedure. In this case, the issues of the procedure will be dealt with by means of decision-making and special contested procedures</p> <p>This course attempts to access basic and necessary knowledge of how to find a subjective right of access, mainly on a judicial path. While in the substantive law is overturned the question of the existence of the right to procedural law, the issue of the realization of subjective private law is dealt with.</p>
