

<b>Scientific Publications: Prof.Asoc.dr. Ismet Temaj</b>		
Scientific journal		
<i>Title of paper</i>	<i>Journal name</i>	<i>Year / Volume /Pages</i>
Some convergence theorems for orden-Mcshane equi- integral in Riesz space.	<b><i>Journal of Advances in Mathematics</i></b>	Vol. 10, No. 2: 3238-3244 (2015)
A note of the McShane integral on the Reisz space.	<b><i>International Journal of Mathematical Analysis..</i></b>	Vol. 7, No. 17-20: 807-819 (2013)
Assessment Fourier coefficients of a function of class $L(p,\alpha)$ .	<b><i>Theoretical Mathematics &amp; Applications.</i></b>	Vol. 2, No. 1: 179-188. (2012)
The Convergence Theorems for the McShane Integral of Functions Taking Values in a Locally Convex Space.	<b><i>International Journal of Mathematical Analysis..</i></b>	Vol. 6, No. 40: 1965-1976 (2012)
On Mchane equiintegrable sequences in locally convex spaces.	<b><i>Annals of the Oradea University. Fascicle of Management and Technological Engineering</i></b>	CNCSIS "Clasa B+" ISSUE #2p, 244-248. (2013)
On the integration in mixed topological in locally convex space.	<b><i>Annals of the Oradea University. Fascicle of Management and Technological Engineering</i></b>	CNCSIS "Clasa B+" ISSUE #2, p, 249-266 . (2013)
Aplications of strong Mcshane integral to Walsh series	<b><i>, IWBCMS-Proceeding book.</i></b>	p.216-222 (2013)
Sandwich theorems for Mcshane integration.	<b><i>International Journal of Mathematical Analysis.</i></b>	Vol. 5, No. 1: 23-34. (2011)
Mchane type integration of Riesz-Space-valued function and application to savdwich property,	<b>AJNTS</b>	2010(2) XVI (28) 185-197 (2010)
Teorema srednje vrijednosti za Pettis, McShane i Kurzweil-Henstockov integral funkcija s vrijednostima u lokalno konveksnim prostorima,	<b>Educa, casopis za obrazovanje, nauku i kulturu.</b>	p, 61-74 Godina III broj 3 (2009)
On the integration in a locally convex space of Saks type,	<b>PROCEEDINGS</b>	136-152 (2009)
On some theorems Vitaly - Caratheodry type	<b><i>The scientific bulletin UNIEL PROCEEDINGS,</i></b>	p 125-138 (2008)

Teorema Hardy- Littlewood mbi keficientet kuazi- monoton Fourie te funksioneve nga klasa $L p \alpha,..$	<b>EDUCOLOGIA</b>	p 370-378 (2011)
Teorema e vleres mesatare per funksionet me vlera ne hapësira tlokalisht konvekse te integrueshme sipas Pettisit , Mekshejnit dhe Kurcvell- Henshtokut,	<b>EDUCOLOGIA</b>	p123-135(2009)
Vleresimi i koeficienteve Fourier te klases se funksioneve te tipit $H(p, k, \varphi)$	<b>ASHAK,</b>	p, 145-165 Kerkime 16 (2008)
<b>Summary (abstracts) from International and National Scientific Conferences</b>		
<i>Title of paper</i>	<i>Jurnal name</i>	<i>Year / Volume /Pages</i>
, Disa teorema konvergjence te tipit Vitali hapësirat e Riesz.	<b>Takimi i nente vjetore i Institutit ALB-SHKENCA</b>	(2014)
Aplications of strong Mchane integral toWalshseries	<b>1 st international western Balkans Conferenc of Mathematical Sciences IWBCMS</b>	(2013)
Teoremat konvergjence te Integralit Mekshejn ne hapësirat e Riesz	<b>Takimi i tete vjetore i Institutit ALB-SHKENCA</b>	(2013)
On Mchane Integral on the Riesz space	<b>1 st international Eurasian Conferenc on Mathematical Sciences and applicatons</b>	(2012)
Teorema konvergjence per integralin e Meksheinit ne hapësirat lokalisht konvekse	<b>Takimi i gjashte vjetore i Institutit ALB-SHKENCA</b>	(2011)
Teorema mbi konvergjencen e vargut te funksioneve te barazintegrueshme Mekshejn	<b>Takimi i peste vjetore i Institutit ALB-SHKENCA</b>	(2010)
Mbi disa teorema te tipit Vitali-Karateodorit ne hapësirat e Banahut	<b>Takimi i katerte vjetore i Institutit ALB-SHKENCA</b>	(2009)
‘‘ On integration in Saks-type space’’	3-nd International Conference on Algebra and Functional Analysis,	(2009)

<p>' On some theorems Vitaly - Caratheodry type''</p>	<p><b>2-nd International Conference on Algebra and Functional Analysis,</b></p>	<p>(2008).</p>
<p>Teorema Hardy mbi koeficiente Fourie nga klasa L p . <math>\alpha</math></p>	<p><b>Konferenca mbi studimet ne shkencat e natyres dhe didaktiken e tyre,</b></p>	<p>(2004)</p>
