<b>Remark:</b>
Students are encouraged by the opportunities to use other literature.

**Remark for the Student:**

Students have to respect the rules of professional academic ethics, such as: silence in the class, switching off the phones, coming in the class on time, etc. Every violation according to these rules will be punished. Copy and other deceptive phenomena will be punished according to the applicable rules. The student should participate in exercises and to reflect alert and knowledge for initiatives, ideas and demonstration of learned knowledge in lectures and to use all opportunities for getting knowledge.

Communication with students will be mainly through e-mails and posting on University objects and personally during the consultations.
